

# Batterjee Medical College

*- Teaching Laboratories.*

The Batterjee Medical College for Sciences and Technology (BMC) was founded in 2005 and it is considered to be the first specialist inclusive private university for medical sciences in the KSA.

As a matter of fact it is also considered to be one of the most modern and larger private universities for medical sciences in the Middle East region.

It includes medical colleges that can accommodate 4,000 students (both males and females).
